education, counselling and referrals
in a supportive and confidential
environment

Appointments are not always required.
Please call before going to a clinic.
No Ontario Health Card is needed.

Sexual Health is a state of physical, emotional, mental, and social well-being related to sexuality.

All individuals are sexual beings throughout their lives. Sexuality is part of our personality and includes thoughts, feelings, behaviours, attitudes, gender, gender identity, sexual orientation, body image and relationships.

Many people have questions or concerns about sexuality and sexual health issues.

We are here to help.

What do we offer?
